

OSTERIA PROCACCINI

O-STE-RE-A

[an italian village eatery where food is unassuming but authentic, served by the owner's family & where guests become part of the extended family]

Osteria Procaccini offers all natural Italian food using quality ingredients that are sustainable, organic and local whenever possible; like things used to be. Our concept is authentic Italian food free of artificial preservatives, colors, sweeteners, flavors, hydrogenated fats, and to promote healthy eating. Our passion is great food and sharing it with our customers. Operating a family business which offers green standards is our contribution to our environment and future generations. These standards include recycling, composting waste, cleaning with natural agents, and using paper products and supplies from 100% recycled materials.
